

# Rough wire framing

login Page

A wireframe for a login page. It features a header with the word "logo" underlined. Below the header are two input fields labeled "USERNAME" and "PASSWORD". At the bottom are two buttons labeled "login" and "signin". An arrow points from the right side of the login page to the home page.

Home Page.

A wireframe for a home page. It has a header with "logo" and a navigation bar with "Home groups" followed by three dots and a circular profile icon labeled "acc.". The main content area contains a box with the text "places near you (maybe suggestions)".

Group Page

A wireframe for a group page. The header shows "group name" and a circular icon. Below is a box containing two "comments" input fields and a vertical ellipsis. To the right of this box is an "info" button with an arrow pointing to it.

Profile Page.

A wireframe for a profile page. The header says "Hi USERNAME". Below is a box containing fields for "Name -", "email -", "phn -", and "groups.". An "edit" button is in the top right corner of this box. An arrow points from the profile page to the group page.

group info Page.

A wireframe for a group info page. The header says "Group Info". Below is a box containing a "Head -" label and a table with three columns and three rows of data represented by dashes.
